Dear Little League Supporter,

The Elkton Little League is a not-for-profit charitable organization founded over sixty years ago. As a corner stone for the community, the organization serves children ages four through sixteen. **The league is run and managed by community volunteers and promotes character, courage, teamwork and loyalty through the favorite pastimes of baseball and softball.** Through the generous donations and support of community businesses, the Elkton Little League maintains a standard of excellence for all our participants each year.

Our Program on average fields 40+ teams annually and the facility at Elkton Little League draws in over 50,000 unique visitors each year, through our recreational baseball and softball programs, and by hosting weekend **Travel Baseball Team Tournaments** and **Challenger Games** uniting communities throughout Cecil County and the surrounding areas including Delaware, Pennsylvania and New Jersey.

Through a wide variety of sponsorships and customized advertising programs, the executive board is ready to work with you and your business to maximize the exposure that is available for your company and its business objectives. *Join us in a combined effort to support a community pastime for our children and reach the vast audience that is ready to receive your company's message.*
